READING THE PSALMS AS SCRIPTURE

James M. Hamilton Jr. & Matthew Damico

The psalms cultivate a life of prayer grounded in Scripture.

In *Reading the Psalms as Scripture*, James M. Hamilton Jr. and Matthew Damico guide the reader to delight in the spiritual artistry of the psalms. Psalms is a carefully arranged book saturated in Scripture. The psalmists drew from imagery and themes from earlier Scripture, which are then developed by later Scripture and fulfilled in Christ. The book of Psalms advances God’s grand story of redemption, and it gives us words to pray by drawing us into this story. When we meditate on the promises and patterns in the psalms, we can read, pray, and sing them with faithfulness.

“This concise volume will enrich your understanding and appreciation of the Psalter because it treats the psalms as Christian literature and Holy Scripture. From superscriptions to textual seams to literary outlines, the Psalter has clues all over the place that we need to follow. Hamilton and Damico are faithful guides to lead the way.”

—Mitch Chase, associate professor of biblical studies at The Southern Baptist Theological Seminary

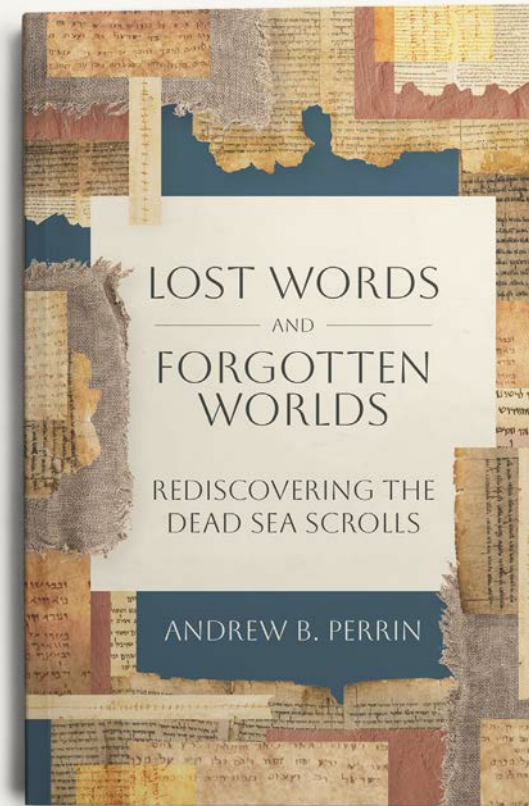

AUTHORS

James M. Hamilton Jr. is professor of biblical theology at The Southern Baptist Theological Seminary and senior pastor of Kenwood Baptist Church in Louisville, Kentucky.

Matthew Damico is pastor of worship and operations at Kenwood Baptist Church in Louisville, Kentucky, and director of Kenwood Music.

LOST WORDS AND FORGOTTEN WORLDS

REDISCOVERING THE DEAD SEA SCROLLS

Andrew B. Perrin

The Dead Sea Scrolls are a window into an unfamiliar ancient culture and a mirror that reflects our own strange world back to ourselves. The scrolls simultaneously challenge and confirm what we thought we knew about the Bible, both its worlds and its very words. Though the scrolls were first recovered in 1947, their story continues to unfurl.

In *Lost Words and Forgotten Worlds: Rediscovering the Dead Sea Scrolls*, Andrew B. Perrin reintroduces readers to the scrolls while correcting common misunderstandings and highlighting overlooked issues. Perrin’s tour spans the traditions of ancient Judaism and extends to the big business of modern antiquities trading—and the surprising number of forgeries on display in our museums. Along the way, he debunks popular myths and conspiracies.

“Andrew Perrin’s book is more than a mere introduction and survey of the Dead Sea Scrolls; it is an insightful and up-to-date revelation of the real meaning of the scrolls and the various controversies surrounding their discovery and—in some cases—their authenticity.”

—Craig A. Evans, John Bisagno Distinguished Professor of Christian Origins, Houston Christian University

“This is a lively and engaging introduction to the Dead Sea Scrolls for the non-specialist.”

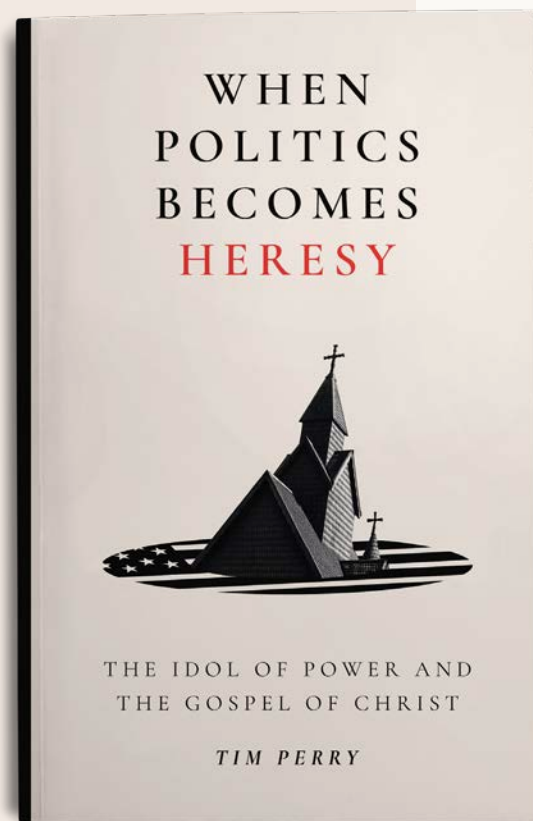

—John J. Collins, Holmes Professor of Old Testament Emeritus, Yale Divinity School

Andrew B. Perrin is associate vice president of research at Athabasca University in Alberta, Canada. Previously, he was director of the Dead Sea Scrolls Institute at Trinity Western University and Canada Research Chair in Religious Identities of Ancient Judaism.

WHEN POLITICS BECOMES HERESY

THE IDOL OF POWER
AND THE GOSPEL OF CHRIST

Tim Perry

Evangelicals fight for a place at the table, but we are in danger of losing our house. The church has become consumed by politics—political priorities and allegiances. Christian brothers and sisters have become opponents. We are no longer united by shared faith, but divided by shared heresy.

When Politics Becomes Heresy is Tim Perry’s loving rebuke and call to repentance. Evangelicals are embracing the logic of ancient heresies, and these heresies lead to each other. Once we exchange the gospel for power (Simony), our faith becomes a mere add-on (Gnosticism), our Savior becomes a teacher of self-improvement (Arianism), our mission becomes social action (Pelagianism), and our unity becomes division (Donatism).

The solution is not to switch sides or carve out a third way. Rather, the right response to unbelief is repentance. We must stop, turn around, and return to God’s gracious throne.

Tim Perry is lead pastor at St. Paul’s Lutheran Church in Steinbach, Manitoba, Canada.

THE THING THAT WOULD MAKE EVERYTHING OKAY FOREVER

TRANSCENDENCE,
PSYCHEDELICS,
AND JESUS CHRIST

Ashley Lande

For years, psychedelics were my religion. All I ever wanted was *The Thing That Would Make Everything Okay Forever*, the panacea, the cure for what plagued me. From those first moments when I tasted the earthy pulp of a psilocybin mushroom, it was love. Psychedelics were my sacrament. They shot me into cathedral vaults. The promise of eternal life through chemicals glittered seductively, but hid a yawning abyss.

“Ashley Lande speaks into today’s meaning crisis with bracing honesty, wisdom, and compassion. Her vivacious prose takes the reader to hell and back, always aiming for the light.”

—Bethel McGrew, journalist and social critic

The Thing That Would Make Everything Okay Forever tells my story of psychedelic devastation and spiritual rescue. It chronicles my trajectory from acid enthusiast to soul-weary druggie to psychedelic refugee. I finally found *The Thing That Would Make Everything Okay Forever*—in the last place I thought to look.

“A story that is brilliantly written and conveyed with remarkable honesty and insight. I was hooked! In a generation that is thirsting for an experience of something transcendent, this book will show you why that hunger can only be truly satisfied by Jesus Christ.”

—Justin Brierley, broadcaster; speaker; author and host of *The Surprising Rebirth of Belief in God*

AUTHOR

Ashley Lande is a writer and artist based in rural Kansas, where she lives with her husband, Steven, and three children.

CHRISTIAN ESSENTIALS

PASSING DOWN TRADITION THAT MATTERS

The ancient church was founded on basic biblical teachings and practices like the Ten Commandments, baptism, the Apostles' Creed, the Lord's Supper, the Lord's Prayer, and corporate worship. These basics of the Christian life have sustained and nurtured every generation of the faithful—from the apostles to today. The books in the Christian Essentials series open up the meaning of the foundations of our faith.

THE CHURCH

A GUIDE TO THE PEOPLE OF GOD

Brad East

You belong to God's family. But do you understand what that means?

The Bible tells the story of God and his people. But it is not merely history. It is our story. Abraham is our father. And Israel's freedom from slavery is ours.

Brad East traces the story of God's people, from father Abraham to the coming of Christ. He shows how we need the scope of the entire Bible to fully grasp the mystery of the church. The church is not a building but a body. It is not peripheral or optional in the life of faith. Rather, it is the very beating heart of God's story, where our needs and hopes are found.

"This book is pure delight! Inspiring, instructive, enriching, beautifully written, this book makes one want to be a Christian. It is next to impossible to write an ecumenically rewarding book on the theology of the church, but Brad East has done it!"

—Matthew Levering, James N. Jr. and Mary D. Perry Chair of Theology, Mundelein Seminary, Illinois

"Lucid, compact, attractive, and appropriately rich with the figures of Scripture's visionary treasure, this book is not only a fine introduction for new Christians of all traditions but a well from which to draw continued reflection and prayerful praise."

—Ephraim Radner, professor of historical theology, Wycliffe College, University of Toronto, Canada

AUTHOR

Brad East is associate professor of theology at Abilene Christian University in Abilene, Texas.

THE LORD'S SUPPER

A GUIDE TO THE HEAVENLY FEAST

John W. Kleinig

You receive Communion. But what does it mean?

In *The Lord's Supper: A Guide to the Heavenly Feast*, John W. Kleinig awakens a hunger for meeting Jesus in the bread and wine. The Bible tells us that Jesus came from heaven to earth to give us himself, and his self-giving continues in the meal that he hosts. In the sacrament of Communion, Jesus offers believers nothing less than his holy, life-giving body and cleansing blood. He brings heaven to earth for us and gives us a foretaste of the heavenly supper of the Lamb. And by faith, we commune with him. In the Eucharist, Christians give thanks for God's gift of himself.

"Dr. Kleinig has gifted readers with a winning, accessible, and engaging introduction to the Lord's Supper. Written in the Lutheran tradition for a wide Christian audience, *The Lord's Supper* helps all readers to see and to relish the gracious Savior to whom the Supper points."

—Guy Prentiss Waters, James M. Baird, Jr. Professor of New Testament, Reformed Theological Seminary

"At once simple, profound, and thoroughly biblical, this is the most accessible and catholic introduction to the Lord's Supper I have read."

—Tyler R. Wittman, associate professor of Christian theology, New Orleans Baptist Theological Seminary

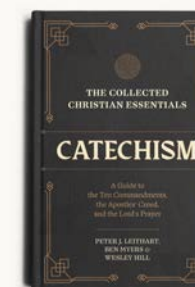

"Kleinig draws readers into plumbing the depths of what the Bible says about Christ's meal in the context of meal-taking throughout Scripture." —Robert Kolb, professor of systematic theology emeritus, Concordia Seminary

AUTHOR

John W. Kleinig is a retired lecturer of the Old Testament at Australian Lutheran College and a pastor of the Lutheran Church of Australia.

UNLOVED

THE REJECTED SAINTS
GOD CALLS BELOVED

Elyse M. Fitzpatrick

Do you sometimes feel unloved by God? There is good news: you can't earn God's love. Whatever you have done or whatever has been done to you—none of it qualifies or disqualifies you from God's love.

In *Unloved: The Rejected Saints God Calls Beloved*, Elyse M. Fitzpatrick tells stories of God's faithfulness towards the misunderstood and often unfaithful saints of the Bible, such as Sarah and Abraham, Tamar and Judah, and Bathsheba and David. These women and men suffered and failed and were often maligned. And yet they were loved by God. His love for these messy saints reminds you that God also loves you—generously, lavishly, and freely. Jesus came for the outcasts, men and women burdened by shame or guilt. He came for the unloved. And he calls you his beloved.

"Elyse has gifted us with a long lingering look at the unfailing love and value God demonstrates for those we might label unlovable, unattractive, unsuccessful, undeserving, and unwanted. If you've ever struggled with the 'I'm not _____ enough' syndrome, this book is for you." —Leslie Vernick, Christian counselor; international speaker; relationship coach

"I'm so thankful for Elyse's careful, winsome retelling of these stories that showed me again that I am not only deeply broken, but also deeply beloved." —Scott Mehl, pastor, Cornerstone Church of West Los Angeles, California

"Elyse does an amazing job of tracing the story of God's favor towards imperfect, flawed, and broken people throughout Scripture, and I know these truths will be life-changing for many. I will be recommending this book often!" —Joy Forrest, founder and executive director, Called to Peace Ministries

AUTHOR

Elyse M. Fitzpatrick is a bestselling author, national speaker, and ministry leader. She is author of more than twenty-five books, including *Give Them Grace: Dazzling Your Kids with the Love of Jesus* and *Jesus and Gender: Living as Sisters and Brothers in Christ*.

THE FOREMOST PROBLEMS OF CONTEMPORARY DOGMATICS

ON FAITH, KNOWLEDGE,
AND THE CHRISTIAN TRADITION

Herman Bavinck

In *The Foremost Problems of Contemporary Dogmatics*, Herman Bavinck identifies the primary challenges confronting Protestant theologians in the early twentieth century. Since the main difficulties do not concern specific heads of doctrine but arise in theological method, Bavinck's focus narrows to the act of faith. Bavinck demonstrates the necessity of viewing faith as knowledge rather than mere trust, recounting the development of doctrine from the biblical authors through the dawn of the twentieth century. This book provides a unique window into Bavinck's thought, as he speaks candidly about the limitations and failures of Reformed theology and the relative merits of modern thinkers.

The Foremost Problems of Contemporary Dogmatics was a series of lectures delivered at the Free University shortly after Bavinck moved to Amsterdam in 1902. Edited and translated by Gert de Kok and Bruce R. Pass, these previously unpublished lectures are available for the first time in English.

"Engaging the works of Herman Bavinck is always time well spent, and this intriguing volume, skilfully rendered into English for the first time by de Kok and Pass, is no exception. As Bavinck explores the key question of how to construe faith in a modern era, readers are treated to his reflections on the theologies of the Reformation, the nineteenth century, and the turn to the twentieth century, as well as—and perhaps above all—on the thought of Kant, Schleiermacher, and Hegel. Filled with Bavinck's characteristic insight and vision, these erudite lectures make for fascinating reading."

—Paul T. Nimmo, King's Chair of Systematic Theology,
University of Aberdeen

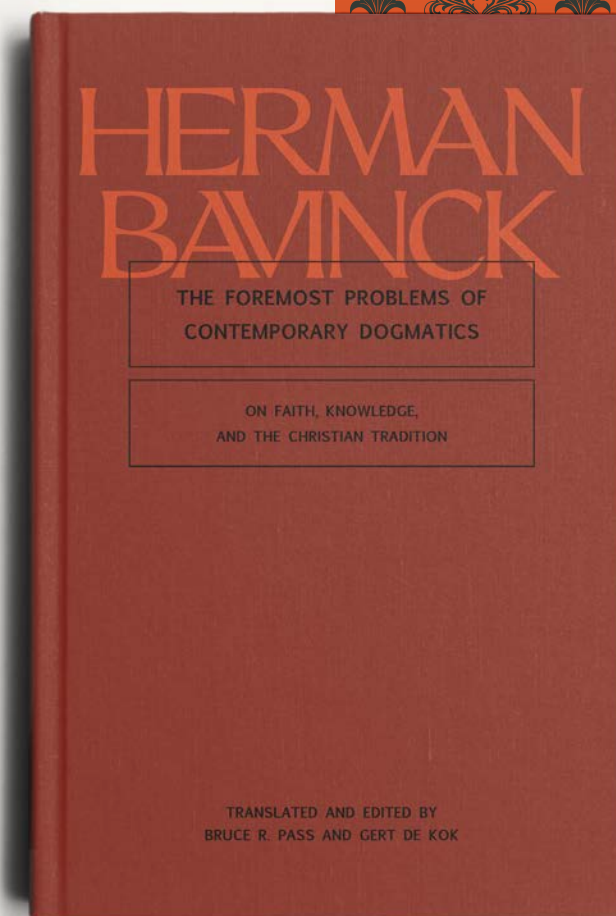

AUTHOR

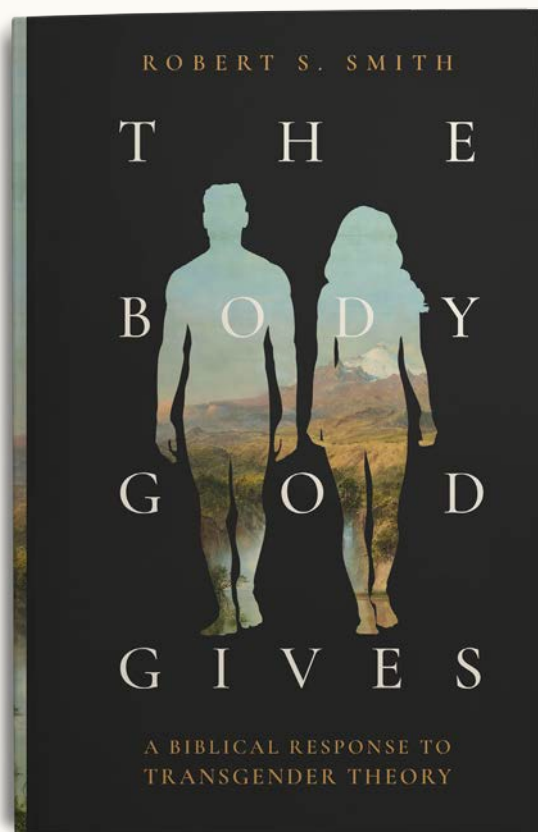

Herman Bavinck (1854–1921) was professor of systematic theology at Vrije Universiteit, Amsterdam, where he succeeded Abraham Kuyper.

THE BODY GOD GIVES A BIBLICAL RESPONSE TO TRANSGENDER THEORY

Robert S. Smith

In *The Body God Gives: A Biblical Response to Transgender Theory*, Robert S. Smith argues that God intends a person’s gender to be grounded in the reality of his or her biological sex—the body God has given. In making his case, Smith critiques the central claim of transgender theory—that the sexed body does not determine the gendered self. He also evaluates the shifts in how society thinks and talks about sex and gender, responding with biblical clarity, theological conviction, and Christian compassion. God speaks clearly, both in his word and in his world.

“In this genuinely compassionate and deeply convictional work, Robert Smith offers a serious and thoughtful engagement with modern gender theory and transgender claims. Christians will deeply appreciate his scholarship and his courage.”

—R. Albert Mohler Jr., president, The Southern Baptist Theological Seminary

“This is an in-depth, fair-minded, and delightfully clear examination of contemporary trans and gender theories. That this book also includes a compelling account of biblical theological anthropology makes it a must-read for Christians who desire thoughtful and faithful engagement on these questions.” —Abigail Favale, author of *The Genesis of Gender: A Christian Theory*

“The breadth of this book is stunning! All conclusions are biblically grounded, theologically sound, person affirming, and God honoring. The Body God Gives has my highest recommendation!” —Gregg R. Allison, professor of Christian theology, The Southern Baptist Theological Seminary; secretary, Evangelical Theological Society

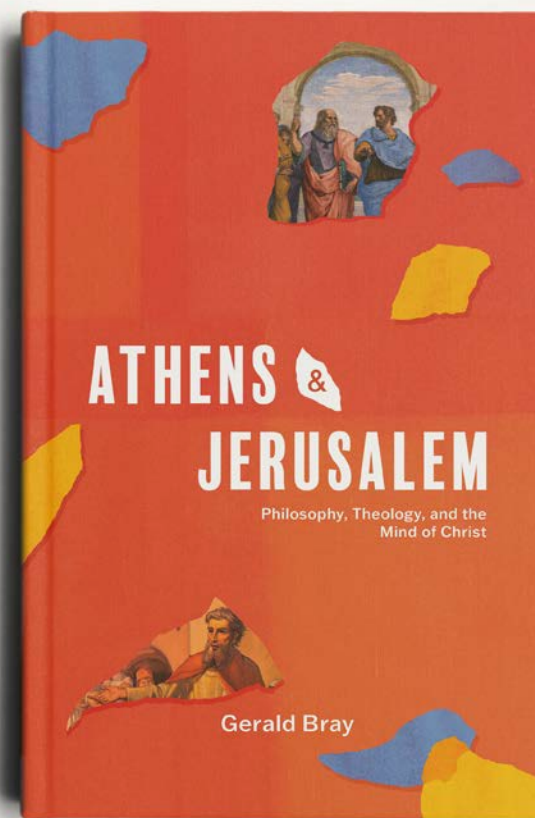

AUTHOR

Robert S. Smith is an ordained Anglican minister and a lecturer in theology, ethics, and music ministry at Sydney Missionary and Bible College. He is the author of *How Should We Think About Gender and Identity?* and coauthor of *The Gender Revolution: A Biblical, Biological and Compassionate Response*.

“In this daring study, Gerald Bray paints on a wide canvas as he traces the subtle connections and stark differences between faith and reason, philosophy and theology, human learning and divine wisdom. Well conceived and well written, this book encourages us to think, and teaches us how.”

—Timothy George, Beeson Divinity School, Samford University

ATHENS AND JERUSALEM PHILOSOPHY, THEOLOGY, AND THE MIND OF CHRIST

Gerald Bray

Is theology incomprehensible without philosophy? Is philosophy merely human folly?

In *Athens and Jerusalem*, Gerald Bray shows how history has been shaped by a myriad of attempts to relate philosophy and theology. Bray’s tour spans from the early church to the present, pointing out impacts on the church, academy, and society. *Athens and Jerusalem* offers a lively and accessible chronicle of the relationship between philosophy and theology and how we can think about both today.

“Bray presents the complex range of ways that pagan philosophy (‘Athens’) has been variously engaged within Christian theology (‘Jerusalem’), from the pre-Christian era to post-Christian New Atheism. With a disarmingly clear style, Bray skips across the Western world-map and throughout the centuries.”

—Kathryn Greene-McCreight, priest affiliate, Christ Church New Haven, Connecticut

“In the midst of modern attempts at retrieving the Christian tradition’s exegetical and theological heritage, a deeper understanding of the variegated philosophical and contextual worlds of our forebears is sorely needed. Athens and Jerusalem helps to fill this gap in classic Gerald Bray form: by drawing together swaths of lofty ideas and historical characters into a readable, coherent, and enjoyable narrative. The result is a book that both summarizes prevailing narratives while also challenging them.”

—Brandon D. Smith, chair of the Hobbs School of Theology and Ministry and associate professor of theology and early Christianity, Oklahoma Baptist University; cofounder of the Center for Baptist Renewal

AUTHOR

Gerald Bray is research professor of divinity at Beeson Divinity School of Samford University in Birmingham, Alabama. He is the author of numerous books, including *God Has Spoken: A History of Christian Theology* and *How the Church Fathers Read the Bible: A Short Introduction*.

LAY LEADERSHIP

FOR THE CARE OF SOULS

Aaron Perry

The church is ordered so that good can run wild. God appoints leaders to commission the laity in the church's ministry and mission. Pastors and ministry leaders serve and organize the church in such a way that people in their care can pursue their unique gifts.

In *Lay Leadership: For the Care of Souls*, Aaron Perry empowers pastors to empower laity in leadership. Perry helps leaders recognize the challenges and pursue the opportunities in sharing vision, inviting participation, delegating roles and responsibilities, and equipping people for sustained ministry. With theological structure and practical wisdom, Perry provides a foundational theology of the laity and specific actions for leaders to apply in their own context.

"Most pastors and churches have settled for ministry done by the few and observed by the many. Aaron Perry has given practical and pragmatic ways for those who dare to recover the full-body ministry of the body of Christ. It is theologically sound, engagingly written, and eminently useful."

AGAINST WORLDVIEW

REIMAGINING CHRISTIAN FORMATION AS GROWTH IN WISDOM

Simon P. Kennedy

In *Against Worldview: Reimagining Christian Formation as Growth in Wisdom*, Simon P. Kennedy challenges the conventions of Christian worldview education and provides a better way.

Although the current concept of Christian worldview appears incontestable, it rests upon shaky philosophical foundations, fails to account for the complexities of how we interact with the world, and may even undermine the curiosity essential for true learning. But rather than shattering the lenses of Christian worldview, Kennedy reframes worldview around wisdom.

A biblical worldview is not downloaded all at once. It is cultivated piece by piece, as we learn about God, his world, and ourselves. Christian education is an organic process of learning to wisely nurture a biblical worldview.

"This is a paradigm-shifting book on the nature of Christian education—by far the best thing I've read on the topic."

—Ben Myers, Alphacrucis University College, Sydney

"For quite some time, a common view as to the task of Christian education is that, with a Christian worldview in mind, teachers and students are to interpret the subject of their discipline in the light of that worldview. Simon Kennedy argues for the opposite understanding. Rather than beginning with a Christian worldview, the task of Christian education is to achieve a Christian worldview. To this he adds the important point that achieving a Christian worldview requires not just knowledge but wisdom. While deeply immersed in the literature, this book is a fresh, imaginative approach, breaking new ground and compellingly argued."

—Nicholas Wolterstorff, Noah Porter Professor Emeritus of Philosophical Theology, Yale University; Senior Research Scholar, Institute for Advanced Studies in Culture, University of Virginia

AUTHOR

Simon P. Kennedy is research fellow at the University of Queensland in Australia and a non-resident fellow at the Danube Institute in Budapest. He is associate editor of *Quadrant* magazine and teaches at a variety of institutions, including the Lachlan Macquarie Institute and Queensland Theological College.

THE BIBLICAL DOCTRINE OF THE HOLY SPIRIT AND SALVATION

J. V. Fesko

God’s Spirit unites believers to Christ, conforms them to his image, and equips them for witness and ministry. In *The Giver of Life*, J. V. Fesko reflects on the person and work of the Holy Spirit in the application of Christ’s work for the salvation of sinners. Through a combination of biblical, historical, and theological study, Fesko illuminates the blessing of God’s presence with his people.

Written from a confessionally Reformed perspective in dialogue with the great creeds of the church, *The Giver of Life* provides a thorough and trustworthy guide to the Holy Spirit’s role in salvation.

“J. V. Fesko has captured this historic doctrine beautifully, expressing the ‘faith once delivered to the saints’ in clear, contemporary terms. Christ’s church is enriched by this study.” —James M. Renihan, president and professor of historical theology, International Reformed Baptist Seminary, Texas

AUTHOR

J. V. Fesko is Harriet Barbour Professor of Systematic and Historical Theology at Reformed Theological Seminary in Jackson, Mississippi. He has written more than thirty books, including *The Trinity and the Covenant of Redemption*, *Justification*, and *The Theology of the Westminster Standards*.

UNDERSTAND. PROCLAIM. ACT.

We Believe is a series of eight major studies of the Christian faith’s primary doctrines as confessed in the Nicene Creed and guided by the Reformed tradition. In each volume, trusted authors engage a major creedal doctrine in light of its biblical-theological foundations and historical development, fleshing out its spiritual, ethical, and missional implications for the church today.

“Integrating biblical and systematic theology with a missional and pastoral passion, this series promises not only to inform but to transform readers through the riches of God’s word. I highly recommend it.”

—Michael Horton, J. Gresham Machen Professor of Systematic Theology and Apologetics, Westminster Seminary California

“Guided by able editors and approaching key creedal statements from a robust and lively perspective, these volumes promise to be both distinctive and constructive. Unapologetically approaching the catholic confession from the Reformed tradition, each author aims to present a biblical-theological overview that is also missional in orientation. The result promises to both remind us of proper foundations while also pointing toward contemporary relevance.” —Kelly M. Kapic, professor of theological studies, Covenant College

THE LORD JESUS CHRIST

THE BIBLICAL DOCTRINE OF THE PERSON AND WORK OF CHRIST

Brandon D. Crowe

Jesus is the divine Son of God who has taken on human nature in the incarnation. As prophet, priest, and king, he leads his people in a new exodus. In *The Lord Jesus Christ*, Brandon D. Crowe reflects on Christ’s person and work. Crowe traces christological concerns throughout the Old and New Testaments and church history and then presents systematic and practical implications. Through a combination of biblical, historical, and theological study, Crowe provides a fresh and robust statement of who Christ is and what he has done.

“*The Lord Jesus Christ* is to be treasured—and so is this wonderful book about him.”

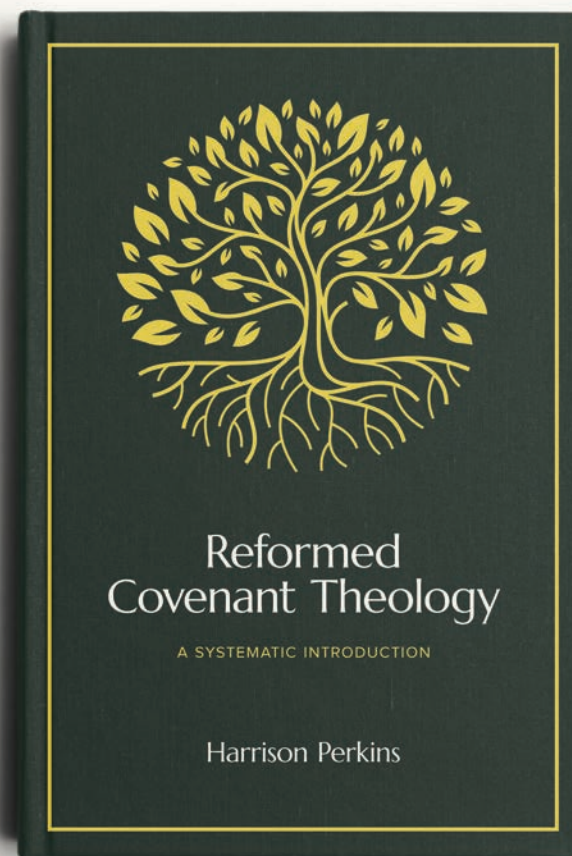

—Sinclair Ferguson, Chancellor’s Chair of Systematic Theology, Reformed Theological Seminary

“Crowe’s joy in ‘the abiding grace of Jesus Christ’ is manifest on every page.”

—Matthew Levering, James N. Jr. and Mary D. Perry Chair of Theology, Mundelein Seminary

AUTHOR

Brandon D. Crowe is professor of New Testament at Westminster Theological Seminary in Glenside, Pennsylvania, and author of *The Last Adam: A Theology of the Obedient Life of Jesus in the Gospels* and *The Hope of Israel: The Resurrection of Christ in the Acts of the Apostles*.

“I have been waiting for a book like this one, a book that does not merely regurgitate the storyline of Scripture but summons systematic theology to make covenantal connections across the canon.”

—Matthew Barrett, Midwestern Baptist Theological Seminary

“Perkins weaves biblical, historical, and systematic theology into a rich tapestry. And, as a pastor, he displays its relevance for our lives. With this book we have the best contemporary account of the Bible’s own unifying structure.” —Michael Horton, Westminster Seminary California

“This book is at once a thorough historical and biblical discussion of covenant theology with all its nooks and crannies, and one that is easy to understand. A model of pastoral scholarship written in service to the church.” —Brandon D. Crowe, Westminster Theological Seminary

AUTHOR

Harrison Perkins is pastor of Oakland Hills Community Church (OPC), online faculty in church history at Westminster Theological Seminary, and visiting lecturer in systematic theology at Edinburgh Theological Seminary.

REFORMED COVENANT THEOLOGY

A SYSTEMATIC INTRODUCTION

Harrison Perkins

Covenant shapes our life with God. In *Reformed Covenant Theology: A Systematic Introduction*, Harrison Perkins shows how Christ and his work are the heart of that covenant relationship. Since God lives in covenant with his redeemed people, covenant theology provides a framework for Christians to grow in their life with God, to read the Bible, and to love the church.

“Perkins is an expert in his field and very much a pastor. ... You will not be disappointed.”

—From the foreword by Ligon Duncan

THE CRISIS OF CIVIL LAW

WHAT THE BIBLE TEACHES ABOUT LAW AND WHAT IT MEANS TODAY

Benjamin B. Saunders

How should Christians think about law? In every age, this is one of the most difficult questions faced by followers of Christ. Within the modern church, there is little unity on how Scripture addresses issues like gun control, abortion, and whether we should disobey unjust laws. In *The Crisis of Civil Law*, legal scholar Benjamin B. Saunders draws from Scripture and the Christian tradition to provide valuable guidance on contemporary legal questions and the role of civil government. We can gain greater clarity by wisely applying the moral law found in Scripture—as well as the universal standards of the natural law—to the changing circumstances of human societies.

The Crisis of Civil Law includes detailed discussion of the biblical material on law as well as practical case studies that contextualize scriptural principles in modern Western society.

“An accessible and authoritative guide to the enduring wisdom of Scripture and tradition on the ‘weightier matters of the law’ and on many legal aspects of public and private life. Law professor Ben Saunders combines real-world legal expertise with refined theological wisdom in delivering this refreshing and rewarding title. This book can be read in an evening but pondered for a long time.”

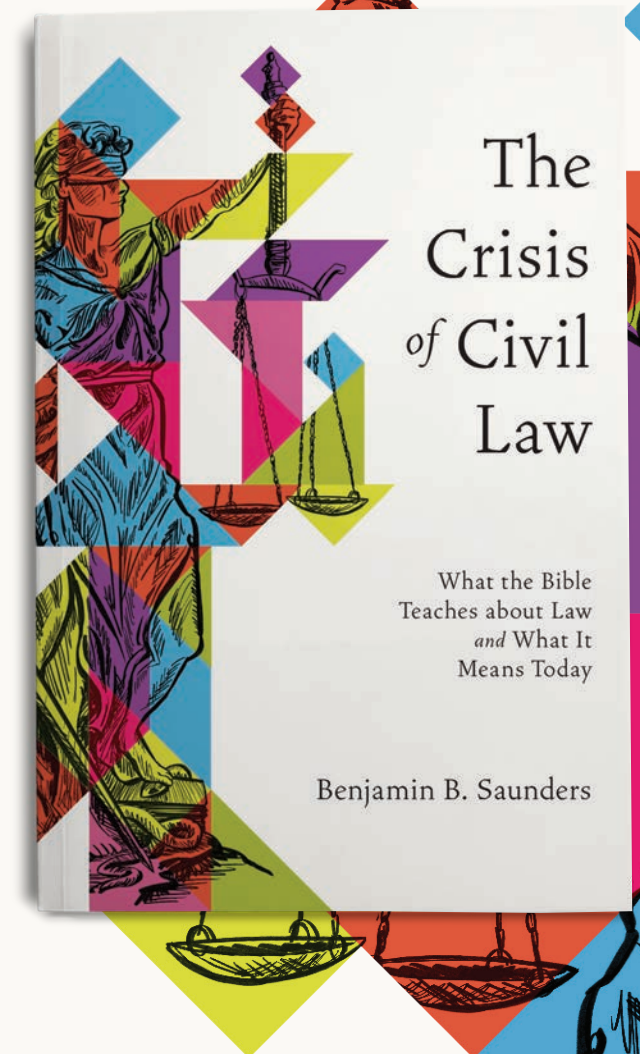

—John Witte Jr., Robert W. Woodruff Professor of Law, McDonald Distinguished Professor of Religion, and faculty director, Center for the Study of Law and Religion, Emory University

“At a time of considerable controversy over Christians’ relationship to civil law, Ben Saunders’s new contribution is very welcome. He encourages Christians to avoid simplistic answers and charts a levelheaded course that’s both theoretically informed and practically insightful.” —David VanDrunen, Robert B. Strimple Professor of Systematic Theology and Christian Ethics, Westminster Seminary California

Benjamin B. Saunders is associate professor at Deakin Law School in Melbourne, Australia.

GRACE FROM HEAVEN
PRAYERS OF THE REFORMATION

Ed. Robert Elmer

The Reformation was an extraordinary time of profound spiritual fervor. *Grace from Heaven* collects prayers from influential Protestant voices of the Reformation that express deep longings, theological richness, and a burning desire for God's grace. The prayers are arranged by topic and time—from praise to petition, morning to evening—so that your prayer life can be interwoven with the rich tapestry of prayers of faithful Christians from the past. By praying along with Martin Luther, John Calvin, Marguerite de Navarre, William Tyndale, and many others, we join the chorus of Reformation believers in prayer and contemplation.

“When I read Grace from Heaven, I felt as though I had stumbled upon pearls of great price. A precious collection for the soul's enrichment.” —Joni Eareckson Tada, Joni and Friends International Disability Center

“You will be encouraged and edified as you encounter these believers—speaking their words and echoing their hearts.” —Trevin Wax, author of *The Thrill of Orthodoxy*

EDITOR

Robert Elmer is editor of *Piercing Heaven: Prayers of the Puritans* and author of over fifty books of Christian fiction, devotion, and apologetics. He and his family live in Lynden, Washington.

NAVIGATING TOUGH TEXTS, VOLUME 2

A GUIDE TO PROBLEM PASSAGES IN THE NEW TESTAMENT

Murray J. Harris

While the core message of the New Testament is clear, we often encounter puzzling, alarming, or confusing sections when we get into the details. In this second volume of *Navigating Tough Texts*, Murray J. Harris concisely considers more than eighty tricky passages in the New Testament. He shows how these texts offer insights with implications for theology, apologetics, mission, and the Christian life.

Navigating Tough Texts, Volume 2 is a sure guide for pastors, students, and curious Christians who want to be better readers of the tough passages in the Bible.

“Murray Harris is a master guide, after a long lifetime of study, to some of Scripture’s most puzzling problems. Even on the rare occasions when one disagrees with him, one ought to admit that he might be right!”

—Craig L. Blomberg, distinguished professor emeritus of New Testament, Denver Seminary

“With precision, acumen, and sound judgment, Murray J. Harris brings a lifetime of study and devotion to bear on the meaning of notoriously gnarly verses. This book not only furnishes helpful solutions to interpretive conundrums—it also models sound and creative strategies for dealing with any puzzling biblical text.”

CONQUERORS NOT CAPTIVES

REFRAMING ROMANS 7 FOR THE CHRISTIAN LIFE

Joseph R. Dodson with Mattie Mae Motl

Is the Christian battle against sin a long defeat? In *Conquerors Not Captives*, Joseph R. Dodson and Mattie Mae Motl challenge the popular view that Romans 7:14–25 describes the typical Christian battle against sin. The “wretched man” of Romans 7 seems unable to do what God’s law demands and, for many Christians, his inner conflict and turmoil seem all too relatable. But are we impotent before sin and powerless to do good? When we reexamine Romans 7 in light of Paul’s writings elsewhere and his interpreters throughout church history, we encounter better news.

Conquerors Not Captives is an accessible and thoughtful study that rebukes our gloomy expectations and invites us to take seriously the Bible’s assurances that the Holy Spirit frees us from sin’s power.

“Dodson and Motl’s book covers the complicated ground of Romans 7 in a winsome and pastoral way, arguing that Christians are not captives but conquerors. This is the best short summary of Romans 7 that I have read. It includes the history of interpretation, the larger context, and careful exegesis of the passage itself. Those who disagree must reckon with the arguments in this book.”

—Patrick Schreiner, associate professor of New Testament and biblical theology, Midwestern Baptist Theological Seminary; author of *The Visual Word*, *The Kingdom of God and the Glory of the Cross*, and *The Ascension of Christ*

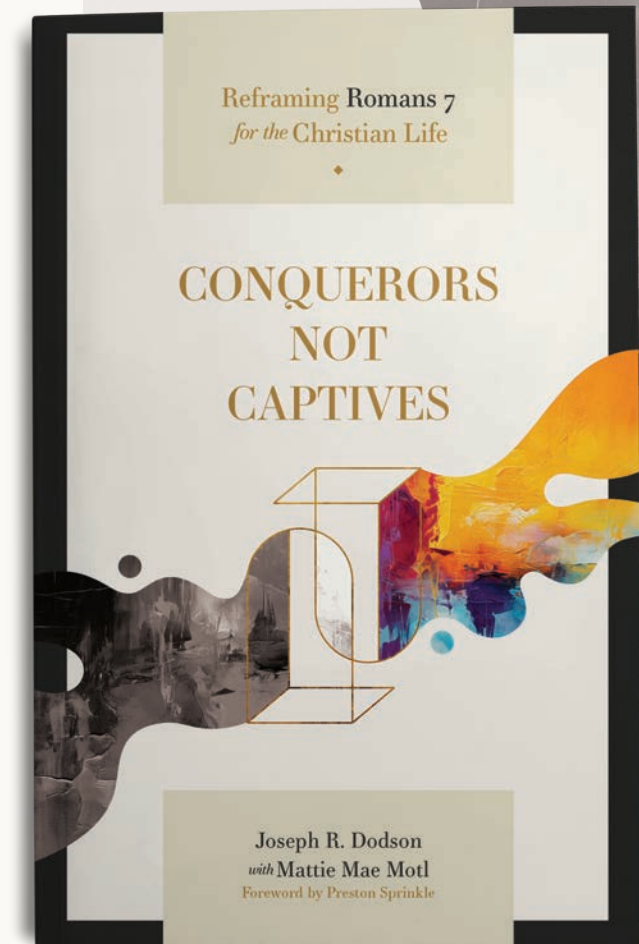

“On the hot topic of the ‘I’ of Romans 7, Dodson and Motl model expert exegesis: attentive to historical context, insightful reading of Romans as a whole, and inspiring in terms of understanding Pauline theology and biblical theology more widely. Concise, well-written—and convincing!” —Nijay K. Gupta, professor of New Testament, Northern Seminary

JOB

Duane A. Garrett

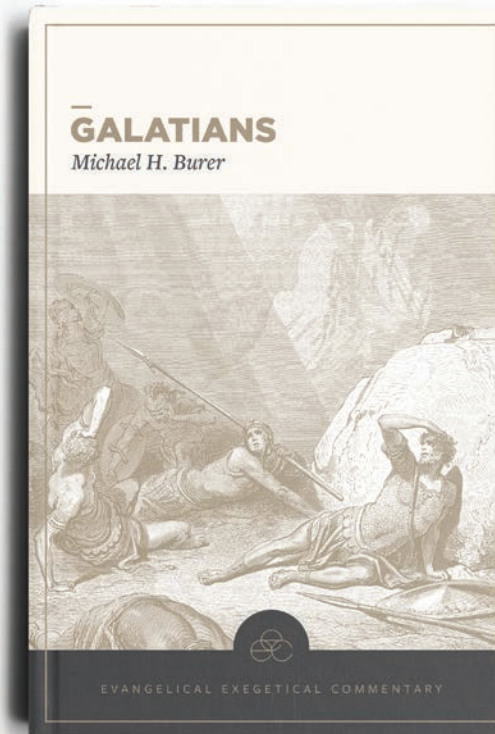

The book of Job is challenging. Its Hebrew is often obscure, its length and subject matter are intimidating, and its meaning has been debated throughout the history of biblical interpretation. In this commentary, Duane A. Garrett presents a fresh argument for the book's meaning. Job demonstrates the inability of Wisdom, as a theological tradition, to solve the problem of evil. Without rejecting Wisdom, it shows that only God can truly deal with evil. God's answer to evil is found only in Christ, who is anticipated in the book of Job.

"With a meticulous eye for detail, Duane Garrett masterfully untangles the complex intricacies of the frequently read but perplexing book of Job. Garrett's exploration reaches profound depths, elucidating textual and theological insights that resonate in our modern era. This commentary stands as a monumental achievement, essential for those seeking a fresh perspective with the aim of further unraveling the tapestry of the book of Job."

—Dominick S. Hernández, associate professor of Old Testament and Semitics; director of Talbot en Español, Talbot School of Theology, Biola University

AUTHOR

Duane A. Garrett is the John R. Sampey Professor of Old Testament Interpretation and professor of biblical theology at The Southern Baptist Theological Seminary. He is the author of many books, including *The Problem of the Old Testament: Hermeneutical, Schematic, and Theological Approaches*.

GALATIANS

Michael H. Burer

The Letter to the Galatians opens a window to a serious crisis in Paul's ministry. In this letter, Paul defends the gospel and challenges the Galatian believers to remain faithful and to welcome all who have faith in Christ. Michael H. Burer presents a fresh exegetical investigation of the text, clarifying Paul's meaning and message for the benefit of pastors, teachers, and students.

"A judicious treatment of the epistle that allows the teaching and the theology of the letters to shine forth. This makes the commentary an exceedingly useful companion to have as one studies this key epistle of Paul." —Darrell L. Bock, senior research professor of New Testament studies, Dallas Theological Seminary; executive director for cultural engagement, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement

"Burer's volume on Galatians is a wealth of exegetical wisdom: an abundance of text-critical, grammatical, and interpretive insights, valuable theological reflection, and helpful pastoral guidance. A real treasure!" —J. Scott Duvall, professor of New Testament, Ouachita Baptist University

AUTHOR

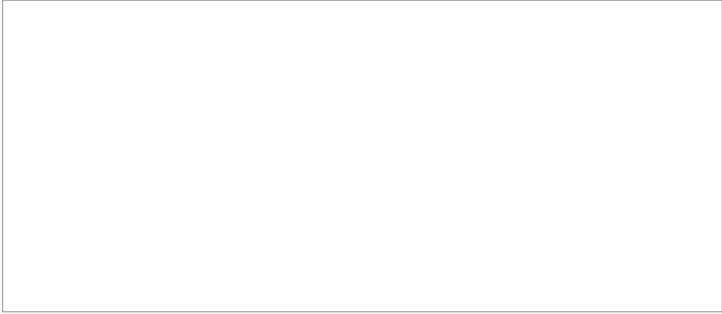

Michael H. Burer is dean of faculty development and professor of New Testament studies at Dallas Theological Seminary. He is the author of *Divine Sabbath Work* and *A New Reader's Lexicon of the Greek New Testament* (with Jeffrey E. Miller).
